

## **SURFACE TRANSPORTATION BOARD**

**[Docket No. FD 36377 (Sub-No. 4)]**

### **BNSF Railway Company—Trackage Rights Exemption—Union Pacific Railroad Company**

BNSF Railway Company (BNSF), a Class I rail carrier, has filed a verified notice of exemption under 49 CFR 1180.2(d)(7) for its acquisition of restricted, local, trackage rights over two rail lines owned by Union Pacific Railroad Company (UP) between:

(1) UP milepost 93.2 at Stockton, Cal., on UP's Oakland Subdivision, and UP milepost 219.4 at Elsey, Cal., on UP's Canyon Subdivision, a distance of 126.2 miles; and (2) UP milepost 219.4 at Elsey and UP milepost 280.7 at Keddie, Cal., on UP's Canyon Subdivision, a distance of 61.3 miles (collectively, the Lines).

Pursuant to a written temporary trackage rights agreement, UP has agreed to grant restricted trackage rights to BNSF over the Lines. The purpose of this transaction is to permit BNSF to move empty and loaded unit ballast trains to and from the ballast pit at Elsey, which is adjacent to the Lines. The agreement provides that the trackage rights are temporary in nature and are scheduled to expire on December 31, 2022.<sup>1</sup>

The transaction may be consummated on or after January 12, 2022, the effective date of the exemption (30 days after the verified notice was filed).

As a condition to this exemption, any employees affected by the acquisition of the trackage rights will be protected by the conditions imposed in Norfolk & Western

---

<sup>1</sup> BNSF states that, because the trackage rights are for local rather than overhead traffic, it has not filed under the Board's class exemption for temporary overhead trackage rights under 49 CFR 1180.2(d)(8). Instead, BNSF has filed under the trackage rights class exemption at section 1180.2(d)(7). BNSF concurrently filed a petition for partial revocation of this exemption, in Docket No. FD 36377 (Sub-No. 5), to permit these proposed trackage rights to expire at midnight on December 31, 2022, as provided in the agreement. The petition for partial revocation will be addressed in a subsequent decision.

Railway—Trackage Rights—Burlington Northern, Inc., 354 I.C.C. 605 (1978), as modified in Mendocino Coast Railway—Lease & Operate—California Western Railroad, 360 I.C.C. 653 (1980).

If the verified notice contains false or misleading information, the exemption is void ab initio. Petitions to revoke the exemption under 49 U.S.C. 10502(d) may be filed at any time. The filing of a petition to revoke will not automatically stay the effectiveness of the exemption. Petitions for stay must be filed no later than January 5, 2022 (at least seven days before the exemption becomes effective).

All pleadings, referring to Docket No. FD 36377 (Sub-No. 4), should be filed with the Surface Transportation Board via e-filing on the Board's website. In addition, a copy of each pleading must be served on BNSF's representative, Peter W. Denton, Steptoe & Johnson LLP, 1330 Connecticut Avenue, N.W., Washington, DC 20036.

According to BNSF, this action is categorically excluded from environmental review under 49 CFR 1105.6(c)(3) and from historic preservation reporting requirements under 49 CFR 1105.8(b)(3).

Board decisions and notices are available at [www.stb.gov](http://www.stb.gov).

Decided: December 20, 2021.

By the Board, Scott M. Zimmerman, Acting Director, Office of Proceedings.

Stefan Rice,

Clearance Clerk.
